

Please read this first; it is The Starfish Publishing Agreement

This book is free - but it will cost you!

Starfish Publishing is a new resource function carried by contributing authors committed to this present reformation. It is the publishing arm of the “Starfish Partnership”, a global, informal network of followers of Jesus Christ, with the goal of seeing half the planet disciplined through the starfish-type multiplication of organic/simple house churches, regional apostolic networks and a return to Kingdom economics.

Starfish Publishing exists to make vital materials towards this goal easily accessible and globally available for the empowerment of anyone. It is a decentralized network based on the philosophy of a Christian gift economy. In the Kingdom of God, there is no buying and selling, but giving and receiving. Starfish Materials are therefore not for sale. We loan them to you, and they become yours if you can honor the following risk-free moral agreement:

IF YOU LIKE THE MATERIAL,

- please "pay it forward" to at least ten others;
- secondly, strive to give to the world without copyright whatever God has given to you;
- thirdly, money is needed, but instead of simply buying another product, we invite you to invest financially into the Starfish Vision. The Starfish Foundation serves as a financial instrument to facilitate this (more in the appendix section).

IF YOU DO NOT LIKE THE MATERIAL, please simply delete it; there are no strings attached.

All digital Starfish resources (books, newsletters etc.) are
